*Dear Well-wishers!*

**Greetings from V.O.C College of Education.**

VOCCE is a premier in teaching. It has got its tradition of 60 years experience in this field. It has produced many good teachers who are, all over the country. They are the torch bearers of our college. Teachers are the future architect of any society. She/He not only teaches the future generation but also moulds and shapes the future character of the nation. Teacher can transform the society better than any other professional. She/He is the only professional who is having the direct contact with the youth. The youth are always impressed, influenced and motivated only by the teachers.

A Teacher should be a towering personality not in terms of physical stature but in terms of mental power. For that, a teacher should equip herself/himself for empowering herself/himself. The difference between the teacher and the student is a day of learning. Teacher learns earlier than the student, grasps the theme of the subject, analyse it and presents it according to the level of the student. Only a well informed and thoroughly prepared teacher alone will have the impact among the students. Our college provides opportunities for the overall development of the personality of the future teacher.

*Dr. J.K. Anakaraj*  
Principal,

## V.O.Chidambaram College of Education - A Glimpse

Thoothukudi has earned for itself a name in history not only for its lustrous pearls but also for the illustrious patriots. While it had been growing into an important industrial and commercial centre, it was lagging behind in Higher Education. In this context, with the good wishes and support of our national leaders and under the dynamic leadership of **our founder secretary Kulapathi, Tamizhavel Shri.A.P.C.Veerabahu.**, V.O.C. Educational Society was founded, just 5 days after the Independence, on 20<sup>th</sup> August 1947 with the vision of “Education should not be commercialized on any account” and “Education for all”. The sensible and studious efforts of our founder secretary Kulapathi Shri.A.P.C.Veerabahu, V.O.Chidambaram College of Education which was named after the **great patriot and freedom fighter Shrii.V.O.Chidambaram**, took roots in 1955. Today, V.O.Chidambaram College of Education has grown to glorious heights within the six decades to become one of the premier Teacher Education Institutions in Tamil Nadu and enjoys nationwide reputation for its high standards and Excellence in Education. It also acts as the striving force for the upliftment of the deprived community with the sagacious pains taken by our president Shri. A.P.C.V.Chockalingam and functions effectively under the secretaryship of Shri.A.P.C.V.Shanmugam.
