#### FIRST AID:

First Aid Medical kit is available in our college and immediate treatment is given according to the student-teacher ill-health. If severe illness persists, they are taken to the nearby hospital. The medical kit consists of Paracetamol, ceftriaxone, Digene, Volini spray, Plaster roll, Bandage roll, Band-aid, Tincture, Silverex ointment, Iodex, Vicks, Dichlorone gel, Gelusil liquid, etc. We have ice bags to subside the swelling. Care and attention is always given to the Student-teachers by all the faculties in the campus.
