

INSTITUTIONAL DISTINCTIVENESS

2019 – 2020

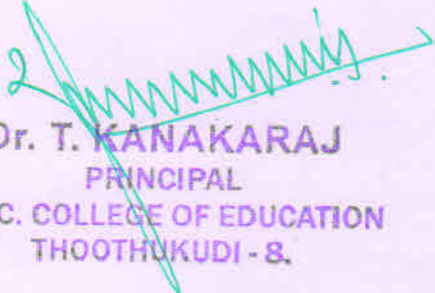

The mission of the institution is to stress inter-religious values among student teachers. This was done through all faith prayer and verse reading from holy book of all religion. The college prayer song emphasizes religious values. Prayer song makes our student-teacher feel that they all are equal. Education is given to the students from marginalized section of the society. To make them excellent various programmes and activities are organized for them both academically and non- academically to bring out their hidden talents. Campus interview is conducted every year for employment opportunity. To disseminate knowledge in a spirit of love and dedication the institution is particular in helping the differently abled person and the needy. Donations are not collected from students for admission and also for appointment. The Institution molds and empower students in the pursuit of knowledge, values and social responsibility and help them achieve excellence in various fields, thereby also preparing them to face global challenges. The Institution as never faltered in Inspiring the students in the pursuit of knowledge, values, and social responsibility. The Institution has established its distinctive approach towards this comprehensive Vision by modeling it in the form of service to the society, by means of certificate courses or by allowing the students to organize events to develop their skills, multidisciplinary project development, Entrepreneurship development, Ethical and Human value development. The missionary fervor is enshrined in the motto – **‘Love, knowledge and virtue ‘**. Education is envisioned as a process of disseminating knowledge in a spirit of Love and dedication, to the highest ideals of nationalism and education for the al round development of the learner and the wider society.

The institutional goals is to

- To promote great qualities of dedication, simplicity, selfless service and sacrifice which will give light to the problems of the students of new generation.
- To enlighten teachers about various approaches and technologies which can be adopted to make education more meaningful?
- To admit trainees and recruit teachers across barriers of religion, caste, region and language
- To extent placement services to the trainees.
- To foster activities that promote understanding and healthy interaction between the college and the community.

The following "PANCHASHEELA" principle has been adopted for the trainees.
